Estimadas alumnas en esta guía vamos a ver acciones que se realizan en presente y en pasado, la idea es responder cuan a menudo hacen una actividad. Y cuan a menudo hacían una actividad en el pasado. Para terminar usarán las expresiones **for** para marcar un período de tiempo y **since** para indicar cuando se inició una actividad en el pasado. Luego en la clase de reforzamiento revisaremos el trabajo realizado. La guía se imprime o se escribe en el cuaderno y las alumnas que pueden me la envían al correo para revisar y consultar.
